#### DUTIES AND RESPONSIBILITIES

On a regular and recurring basis, leads three or more aircraft mechanics, crew chiefs, and specialist personnel performing work in the inspection docks.  
Monitors the work of assigned personnel, sets the pace, passes along assignments, and assures that materials, tools, equipment, and stock are available. Works along with aircraft mechanics and specialist personnel performing journeyman work as required.  
Insures that assigned personnel are fully utilized and work is accomplished in accordance with established time frames and priorities. Checks work in progress and/or upon completion for compliance with the supervisor's instructions, appropriate technical orders, etc. Serves as a technical advisor by answering questions regarding appropriate procedures, policies, written instructions and other directives. Ensures that safety, housekeeping, security and other environmental rules are followed.  
Advises the supervisors of overall work operations, status and progress of work, causes for delays, problems encountered, and individual performance (e.g., additional on-the-job training requirements for individual employees). As requested by the supervisor, provides functional planning for the inspection docks. On a daily basis, recommends adjustments in work schedules to provide optimum utilization of personnel in support of functional requirements.

Performs other duties as assigned.

## GENERAL EXPERIENCE

Knowledge is mandatory of: knowledge of the makeup, operations, and installation of a variety of aircraft systems and assemblies. Knowledge in determining when new assemblies and/or systems should be installed or repaired through replacement of new parts or components. Knowledge of the types and extent of mechanical adjustments and alignments. Skill in removing, replacing, and adjusting various systems and assemblies, as well as, associated components and parts. Knowledge and skill in using precision test equipment, technical data, schematics, wiring diagrams, mathematical formulae, common hand tools, jigs, templates and gauges.
