

ASVAB Retest

Do you need a better GT score?

Enhance your military career!

What Is It?

Armed Forces Classification Test (AFCT) is the test to take instead of the ASVAB to improve your line score(s) and is provided to you by your State Education Team just for being a member of the INARNG.A

Why should I take the AFCT?

Many Soldiers have stated the only factor that has prevented them from applying for one of these options is not having the minimum line score(s) to move forward with their plans.

Are you wanting to reclass or become an officer/warrant officer? Do you need to improve your lines scores in order to start?

Enhancing Your Career:

- Raise GT/Line Scores to
 - Re-class MOS
 - Qualify for Officer Candidate School
 - Qualify for Warrant Officer Candidate School

How Do I Apply?

Follow the link on the QR Code and take the 2 minute survey. Someone from the INARNG Education Department will be in contact with you to schedule an AFCT exam. The test is FREE!
