As of January 1, 2000, and upon the family's request, the law requires that every eligible veteran receive a military funeral honors ceremony, which includes the folding and presentation of the United States flag and the playing of "Taps."

The ceremony is performed by a military funeral honors detail consisting of two or more uniformed military persons who are members of the veteran's branch of service.

This Department of Defense program calls for the funeral home to request military funeral honors on behalf of the veteran's family.
