Unemployment Compensation

Unemployment Compensation http://www.in.gov/dwd/ http://fileunemployment.org/indiana	The quickest way to apply is online! <u>You should file your application as soon as you become unemployed.</u> Your claim will begin the Sunday of the calendar week in which it is filed. Waiting more than a full week to file your application will postpone the beginning of your claim, and no benefits will be paid for weeks of unemployment that occur prior to the week of filing.
